

HE Space is a successful international space company. For 40 years, we have been supporting our customers with qualified experts in the field of engineering, science and administration. HE Space has joined forces with CS Group to lead the engineering and digital space market in Europe and to provide highly skilled consulting.

Business Developer

Key Tasks and Responsibilities

As part of the HE Space Team, you will have the following responsibilities:

- Develop and maintain client relationships;
- Coordinate with sales teams to develop mutually beneficial proposals;
- Negotiate contract terms with clients and communicate with stakeholders;
- Gather useful information from customer and competitor data;
- Track, identify and add qualified leads to sales pipeline;
- Support and coordinate proposal writing for client tenders;
- Track and report on the status of proposal components;
- Conduct ongoing market research.

Skills & Experience

You will have the following qualifications and relevant experience:

- Minimum 4 years experience in the aerospace sector;
- Demonstrated ability in business-to-business sales;
- Excellent verbal and written communication skills;
- Problem-solving skills focusing on beneficial solutions;
- Ability and willingness to travel for meetings with prospective and existing clients;
- Fluency in English is mandatory; knowledge of French or German or another European language is an advantage.
